

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (Currently Amended) A shirt, comprising:

a front panel covering a front surface of a wearer's torso when worn;

an interior pocket attached to an inside of the front panel providing a compartment arranged between the front panel and the wearers torso when worn, said pocket having an opening for access into the pocket, said opening located between the front panel and the wearer's torso when worn whereby said pocket is accessible by a user when worn; and

an outside panel arranged against an outside of the front panel and ~~at least partially~~ superimposed over the interior pocket wherein said outside panel and said pocket are affixed to said front panel using threads or fasteners which penetrate said outside panel, said front panel and said pocket, whereby the portion of the interior pocket not superimposed by outside panel hangs freely between the front panel and the wearer's torso when worn.

2. (Orig) The shirt according to Claim 1, wherein said garment comprises a shirt having sleeves of a predetermined length.
3. (Orig.) The shirt according to Claim 1, wherein said outside panel has a size and shape to be coextensive with the interior pocket.
4. (Orig.) The shirt according to Claim 1, wherein said outside panel and said pocket are affixed to said front panel using threads or fasteners which penetrate said outside panel, said front panel and said pocket.
5. (Orig) The shirt according to Claim 1, wherein said outside panel is a fabric piece.
6. (Orig.) The shirt according to Claim 1, wherein said outside panel comprises a metallic piece.
